#### Information circular, article 13, D.Lgs. 196/2003 - Privacy Law

The provision of personal information is obligatory for the purposes of examining your application for a licence to use the “Marmo Botticino Classico” collective mark. The data you provide us with to compile the application for a licence to use the “Marmo Botticino Classico” collective mark will be processed for the purposes of examining and administering (invoicing, accounting, inspections, etc.) the application and the licence. The data you provide may be communicated: to the Consortium’s officials for the purposes of verifying compliance with the technical specification and all the other activities carried on by the Consortium, by the Technical Committee and by every other body established or charged exclusively by it for the purposes of protecting the “Marmo Botticino Classico” collective mark; to scientific or statistical or institutional entities and institutions, for the study and production of statistical data; to professionals and/or enterprises engaged to perform accounting and/or invoicing and/or information system maintenance, in addition to the legal protection of the brand. Your data will not in any case be made public. We finally remind you that you have the rights specified in article 7, D.Lgs. 196/2003, and in particular the right to gain access to your personal data, to apply for its rectification, updating and cancellation, if incomplete, erroneous, obsolete or collected in breach of the law, as well as its processing for legitimate purposes, by application to the Data Processing Controller: Consorzio Marmo Botticino, via Cave 74, 25080 Botticino (Brescia), or by e-mail to consorzio@marmo-botticino.it.

#### Consent

Having read the information circular, I consent to data processing for the aforementioned purposes

I CONSENT

I DO NOT CONSENT
